

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

The
Canticle
of
the
Sun

Almighty,
most high,
good Lord
God, thine
are the glory
praise,
honor, & all
blessing!

To Thee
alone,
Almighty, do
they belong
and no man
is worthy to
speak Thy
name.

Praise be
to Thee, O
Lord, for all
Thy creatures
and
especially for
our brother
the sun

who gives
us the day
and who
shows forth
Thy light .
Fair is he

and radiant
with great
splendor.

To us he
is the
symbol of
Thee,
O Lord.

Praise be
to Thee, O
Lord, for our
sister
the
moon
and
for the
stars.

Thou hast
set them
clear,
beautiful and
precious in
the heaven
above.

Praise be
to Thee, O
Lord, for
our brother
the wind,
for the air,
and the
clouds.

for the
clear sky
and for all
weathers by
which Thou
givest life
and the means
of life to all
Thy creatures.

Praise
be to
Thee,
O
Lord,
for

our sister
water who is
so serviceable
to us,
humble
also,
precious
and
chaste.

Praise be
to Thee, O
Lord, for
our brother
fire, by whom
Thou givest
us light in
the darkness;

he is
beautiful and
bright, coura-
geous
and
strong.

Praise be
to Thee, O
Lord, for
our
mother
the
earth.

who
sustains us
and nourishes
us, bringing
forth divers
fruits, flowers
of many colors
and the grass.

Praise be
to Thee, O
Lord, for all
those who
are forgiving
one to another
for His
love's sake

and who en-
dure weakness
and tribulation;
blessed are they
who shall en-
dure peaceably,
for Thou, O
Most Highest,
shall give
them a crown.

Praise be to
Thee, O Lord,
for our sister
the death of the
body whom
no man can
escape.

Woe unto
him that dieth
in mortal sin.
Blessed are
they who are
found walking
according to

Thy
most holy
will for the
second death
shall be
powerless to
do them
harm.

Praise ye
and bless
ye the Lord
and give
thanks unto
Him and
serve Him
with great
humility.

Here
endeth the
Canticle of
the Sun
by him who
was called
Saint Francis
of
Assisi.
